### TRAINING FUTURE FINANCE EXPERTS: ESSCA OPENS A SPECIALISATION ON ITS LUXEMBOURG CAMPUS

ESSCA School of Management is enhancing its **Master in Management (MiM)** on its Luxembourg campus with the addition of the **Financial Management specialisation as of the 2025-26 academic year**. Taught in English, this track prepares students to tackle strategic finance and risk management challenges. Located at the heart of one of Europe's financial centres, ESSCA is offering a unique immersive experience within a dynamic ecosystem where international banks, auditing firms and innovative companies operate in close proximity.

#### A programme designed for the world of finance

The Financial Management specialisation is offered as part of the Master in Management, a renowned, triple-accredited programme which has been awarded official Masters status from the Ministry of Higher Education and Research for the school's Luxembourg campus. This top-level training programme has been designed to meet the needs of companies from the area.

This specialisation covers a series of key fields of activity: **corporate finance, portfolio management, auditing, financial modelling** and **risk management**. Students alternate between theory and practice via interactive classes and case studies inspired by the working world. A **paid, six-month internship** completes the track, providing concrete immersion into a company.

"We want to offer students top-notch training, directly relating to the demands of the financial sector", explains **Antoine Rech, Director of ESSCA's Luxembourg campus**. "Our presence in Luxembourg enables us to establish close links with market representatives and offer unique academic and professional experience."

#### Privileged access to leaders of the sector

Luxembourg is a major financial centre offering students direct access to major players such as **PwC** (with whom ESSCA has an exclusive partnership), **Deloitte, EY, KPMG, UBS, Société Générale, Banque Centrale de Luxembourg**, and **Amazon**.

In addition to the various courses, students also take part in **conferences, meetings with experts and company visits**, thereby enabling them to broaden their view on the sector and refine their professional project. This approach is conducive to rapid and successful entry onto the job market thanks to a number of career opportunities that encompass financial analysis, management control and risk management.

## Joining the programme

The programme is aimed at holders of a **three-year post-secondary diploma (180 ECTS)** with a good level of **English**. Applications are open via **concours-accesparalleles.com** for French candidates and via **essca.eu/en** for international applicants.

## A few words about ESSCA's Luxembourg campus

ESSCA is the first French School of Management to have a campus in Luxembourg. It is also the only one in the country to be triple accredited and with its Masters programme featuring in both Financial Time and the Shanghai Rankings.

Located close to the city centre, the campus offers exclusive surroundings in which to learn and develop on a professional level. In addition, students benefit from the school's dynamic alumni network, 200 members of which occupy strategic positions within the country's major corporations.

## About ESSCA

Based on its rich 115-year history, ESSCA School of Management is a renowned and firmly established French and European institution. A pioneering school in terms of teaching innovation and social and economic inclusion, it has striven to evolve on a permanent basis to incorporate the demands and challenges of the modern world with a will to train responsible leaders and assist organisations undergoing change.

A private higher education institution of common interest built upon a not-for-profit associative structure and a member of the Conférence des Grandes Ecoles, ESSCA School of Management delivers an officially recognised 5-year post-secondary Master degree and also offers a fully accredited Bachelor in International Management degree programme, an MBA Business & Technology and Master of Science programmes. The school also offers a range of training programmes designed specifically for senior executives, managers, and operational teams, with degree-awarding training (including an Executive Master in Global Management) and custom programmes. ESSCA is also developing on-line designed by ESSCA online campus.

Thanks to its AACSB, AMBA and EQUIS triple crown accreditation, a status held by only 1% of business schools around the world, the School is an internationally renowned institution. It features in the top 100 Masters in Management programmes in the world in the 2023 Financial Times ranking.

Strengthened by a multicampus structure that helps consolidate its appeal to local regions and the showcasing of French expertise in the areas of higher education and research, ESSCA can call upon a network of almost 21,500 alumni working all across the world and currently welcomes over 500 faculty and staff and 7,000 students on its campuses in France (Aix-en-Provence, Angers, Bordeaux, Lyon, Paris and Strasbourg), Hungary, China and most recently in Spain and Luxemburg.
